Thanks. I appreciate the FYI, especially the added detail in the Options sections, which I will incorporate into my briefing handout for Ken Kopocis.

I realize this is a work in progress, with Alan needing to fill in some blanks, however I made a few suggestions. See attached.

Thanks, Jayne! Here's the newest version. I also needed to fix a couple of bullet points in the options part. Feel free to send to Don! (Will get comments from Dave tomorrow AM, nothing from Alan yet.)
